Wednesday, May 27th – July 29th
Student/child must be present to receive meal

Beginning Wednesday, May 27th, CAC Nutrition Services, in partnership with City of Knoxville Parks and Recreation and other community organizations, will provide curb-side pickup service for breakfast and lunch at **new distribution locations** throughout the community for children 18 and under. Children must be present to receive the meals. Each Monday, two breakfast meals and two lunch meals will be in the meal kit. Each Wednesday, three breakfast and three lunch meals will be in the meal kit, for a total of ten meals a week to help relieve hunger for the children in our community.

We look forward to serving children by extending this meal service program until July 29th, 2020.
